Training Reported in FireRMS

July 14, 2014, 12:00-1:30 p.m. – Confined Space Rescue. Four on duty personnel assisted a resident who called the fire station asking for help on how to assist a mother duck who lost all her ducklings down a sewer drain. Engine 11 responded and assessed the situation. They were able to access a storm drain where the ducklings swam down via a man hole. Through much waiting they eventually they walked out and 10 of the 11 ducklings were returned to mom. One would not come near the opening after many attempts of flushing with a garden hose and waiting. The hole was air monitored and the Milwaukee camera was utilized.

July 16, 2013, 1; 30-2:30 p.m. – Operations – All on duty personnel had review of the Tri County protocols presented 2 EL EMS personnel.

July 17, 2013, 1:30-2:30 p.m. – Operations – 4 on duty personnel reviewed Tri County EMS protocols given by 2 EL EMS personnel.

July 17, 2013, 1:30-3:00 p.m. – Rescue Equipment Orientation – 5 on duty personnel reviewed newer high angle rescue equipment along with ropes and knots.
