### Fires Reported in FireRMS – page 1 of 2

September 22, 2013, 4:58 a.m. - Dispatched for a mattress fire at Stoddard and Albert. Truck 11 responded emergent with 3 on board. Arrived to find a smoldering mattress and nearly all the material completely gone. Advised dispatch of the findings and then extinguished the little bit of material left. Pulled springs out of road and then cleared and returned to quarters.

September 24, 2013, 6:26 p.m. - Dispatched to Detroit College of Law on Shaw Lane for a trash can on fire. Truck 12 arrived at the scene, set up command and investigated. Firefighters located the trash can which was outside on the north side of the building and no exposures. No fire was noted and MSUPD stated the fire was put out with water prior to our arrival. The plastic trash bag was melted and no fire noted. Fire personnel soaked the trash can with water. No witness or other problems noted so Truck 12 cleared the scene.

September 26, 2013 5:52 a.m. - Dispatched to Hagadorn and Service for garbage on fire and possibly the garbage truck as well. Truck 12 responded emergent to Hagadorn and Service with 3 on board. En route, dispatch advised the mattress was almost extinguished and now the truck was in the Hannah Plaza. Truck 12 arrived to find a portion of a pile of garbage smoldering in the parking lot. The driver had dumped his load into 3 separate piles, with the last one on fire. The driver had put out the majority of the section that had caught on fire. Dispatch was advised on the situation and they ask if they should send Meridian Fire. Truck 12 indicated they were not needed and they would take care of this. Once the fire was out fire personnel gathered information from the driver and then cleared the scene.

September 26, 2013, 7:29 a.m. – Our fire prevention team assisted Dewitt Township Fire Department with a fire investigation.

## **Training Reported in FireRMS page 2 of 2**

September 20, 2013, 8:30-10:30 – Trench Rescue – EL Fire station 2 personnel participated in a Metro Trench Rescue at a Delhi Township Fire site. Training was with a straight trench with a manikin rescue and also placed 4 panel trench boxes with ventilation.

September 21, 2013, 3-4 p.m. – Department Presentation – One EL fire rig attended a picnic at Cedarhill and Lanternhill. Displayed the fire truck and provided information to the adults.

September 25, 2013, 7:30 a.m. – 7:30 p.m. - Other Rescue Training – One on duty firefighter and lieutenant participated in a drill for the Michigan Task Force 1 Team at a training site in Howell, Michigan. It involved search, rescue, and removal of a patient to the medical team.

September 26, 2013, 7:00 a.m. – 7 p.m. – Special Rescue Situations – One on duty firefighter had training with the Region 2, Green Team for an activation exercise where they responded to the MOB center to team up and go to a training site in Howell Michigan. Performed were several technical rescue exercises ranging from high angle rope techniques to heavy rigging and breaching of concrete floors and walls and performing rescues.

September 26, 2013, 1:30-2:30 p.m. – Extinguishing Agents – Fire station 1 and 2 personnel had a presented on Class B foam in a classroom lecture. Topics covered the indications of use, the equipment we have, and the application of class B foam. The class then transitioned to the rear of station #1 were participants practiced with various foam application nozzles.
