**Fires Reported in FireRMS – page 1 of 2**

September 27, 2013, 10:33 a.m. – EL Fire was dispatched to a person that was having trouble operating a LPG type hand torch. Upon arrival firefighters found a small flame coming from the around the threads and they used a gloved hand to shut off the valve and put the fire out. Afterwards they cooled down the tank and torch tip and advised the user to dispose of both the tank and the tip. No other damage was noted to the surrounding work area and Truck 11 cleared the scene.

September 28, 2013, 12:20 a.m. – East Lansing Fire was called to a couch fire in the street. Firefighters arrived and used a front jump line to put it out. No bystander around and Truck 11 cleared the scene.

September 28, 2013, 12:44 a.m. - ELFD was dispatched to a car fire on Harrison and Trowbridge. One unit was assigned to this incident with three personnel on board. Upon arrival and investigation found the same and extinguished the engine area using 250 gallons of tank. The estimated property loss on this incident was \$6,000 and the estimated content loss was \$300.
