November 1, 2013, 5:01 p.m. – Called to the 500 block of Ann Street for a grease fire. Engine 11 responded, arrived, established command and investigated to find that the resident was cooking grease on the stove in a pan and it ignited. They carried the burning pan outside and placed it on a barbeque. Fire personnel found it was still burning, they placed a lid on it and it went out. Information was gathered and the fire department stood by for a bit until it cooled and was sure it would not re-ignite. The resident was told to let it continue to cool for awhile before touching it. Command was terminated, cleared and returned to station 1.

November 2, 2013, 12:23 p.m. - Dispatched to a bon fire on Trowbridge near Ramp 5. Truck 12 arrived at the scene, set up command and investigated. Fire personnel met with a bystander who stated, somebody set their trash bag on fire and left the scene. The fire was put out by individuals at the scene, prior to our arrival. Firefighters noted an area approximate area of 2' x2' charred, no smoke or fire noted. No other problems noted at the scene and Truck 12 cleared

November 2, 2013, 7:21 p.m. - Dispatched to the alley between Durand and Gunson for a couch on fire. Truck 12 was delayed by traffic while en route to the scene. Upon their arrival they set up command and investigated. Firefighters located a couch smoldering in the alley and used a water extinguisher to put the fire out. Unknown who started the fire, no other problems noted so Truck 12 cleared the scene.

November 2, 2013, 7:28 p.m. – ELFD was dispatched to a contained trash or rubbish fire. One unit with 3 personnel was assigned to this incident. Firefighters arrived on the scene to find a small couch fire. Engine 11 crew put it out with a side discharge garden hose and then cleared the scene.

November 3, 2013, 9:51 p.m. - East Lansing Fire was dispatched to a couch fire in the 500 block of Lexington. Engine 11 was assigned to the call and responded with three personnel. They arrived on the scene and found a couch next to a tree fully involved. Fire personnel pulled a front 1 3/4 front trash line and extinguished the fire with less than 1/4 of water. Firefighters wet down the area around the couch so there would be no rekindles. Once the fire was extinguished they cleared the debris from the roadway and then cleared the scene.
