Fires Reported in FireRMS - page 1 of 2

February 9, 2014, 3:40 a.m. – ELFD was dispatched to the 100 Block of Spartan Avenue for furniture burning in the street. Truck 12 responded emergent, arrived to find a chair or couch, mostly consumed by fire burning in the roadway. Firefighters extinguished with water and then cleared.

February 9, 2014, 9:40 p.m. – EL Fire was called for a structure fire on Woodside. Arrived to find a 1 story house with nothing showing. The occupants were outside upon our arrival and reported a fire with black smoke in the back patio room. Fire personnel saw nothing visible from the outside. The front door was open with visible smoke. Engine 11 was assigned to attack group. Truck 12 assigned to vent the back window and positive pressure at the front door when the attack group was ready to enter the room. Attack group was able to open a sliding door from the room and positive pressure ventilation was established, no windows were broken. Attack reported the fire out within a few minutes. The attack group overhauled and checked 6 sides with the thermal imaging camera. LFD Ladder, Engine and Battalion were called. ELFD Fire Marshal was called also. MTFD medics assisted with a possible stroke victim that was moved next door. LFD units were cleared upon arrival at the scene. MTFD reported that the patient next door was just worried about the fire and had no need for transport. All ELFD units were cleared and command was transferred to Engine 11.

Training Reported in FireRMS

February 12, 2014, 1:30-2:45 p.m. – Pre-Incident Planning – All on duty personnel toured of the FRIB on MSU Campus.
