Notes From Facilities Discussion

FACILITIES – 3rd Floor & Grounds Needs

Love It

Expand fitness and move to 3rd floor. *+1*

Teen space hangout and activities. *+1*

Prioritize seniors on 1st floor, push others up.

Alternative energy and energy efficiency.

Parking at south lot.

More parking elsewhere so side lot can be programmed. *+1*

Consider an additional floor of parking.

Use 3rd floor for new programs and expansion of existing programs. *+1*

Maximize parking while keeping the north fields and landscaping.

Like It

Teaching kitchen. *+1*

Leave It

Leave 3rd floor alone. Priorities are in other areas such as parking, pool, fitness, etc.

Dream

Senior housing adjacent to Community Center.

FACILITIES - Current Needs

Love It

Better Facebook presence. New staff for this task. Marketing school?

Marketing student internship. Aim at measurable outcomes.

Catch up on deferred maintenance issues (technology, roof, pool). +1

Teen spaces and activities with schools, library, city and others (Broad, MSU). +1

Adequate office space for needs?

No commercial kitchen.

Rentable commercial kitchen at existing café.

Don't need chalkboards. Replace.

Parking. +2

Improve all entrance ways, including covered exit.

Meeting room technology. +1

Storage (basement?).

Can spaces be programmed (Senior art studio) when not in use by primary? (Dance Studio)

Maximize space being as flexible as possible. (maximum multi use)

Technology upgrade and furniture upgrade to meeting rooms.

Routine replacement of fitness equipment. +1

Seniors run café?

Space for requested programming (shuffleboard, pickleball).

Maintain Prime Time space.

Invite HRI class to run café? MSU class?

Study feasibility of coffee shop.

Is this the best location in the building for the Art Gallery?

Like It

Additional seating in the pool.

FACILITIES – Future Needs

Love It

Expand fitness center (room/equipment). +1

Flexible gym space. Get rid of physical barriers. +1

Ongoing review of space as it relates to programming needs.

Open up theater to other programs (concerts). +1

Theater upgrades to draw more diverse users.

Upgrade storage in basement.

Greater coordination with East Las Vegas Public Library (teen, makerspace, other). +1

Upgrade meeting spaces. Shouldn't look like old school. +1

Ongoing maintenance plan and funding.

Repurpose kitchen, café and stage in gymnasium.

Dedicated teen space. +2

More dedicated arts space for class and drop-in.

Change marketing. Target younger people (30-40 yrs).

Aquatic area upgrades (not necessarily bigger pool). +1

Energy efficiency and alternative energy (study). +1

Like It

More parking (evaluate one level up parking). +1
