June 6, 2015, 2:24 a.m. - Dispatched for a couch/dumpster fire on Waters Edge and Cedar. Truck 12 went en route from the road along with the police. Arrived on the scene of a couch nearly fully burned and moderate fire from a dumpster. There were exposures nearby but the fire was contained at this time. Firefighters extinguished the couch and lid of the dumpster. The caller was still nearby, saw no one but when they saw the fire they called 911. Advised dispatch that the fire was out, picked up equipment and then cleared the scene.

June 10, 2015, 5:47 p.m. – ELFD was dispatched to the above location for a fire alarm. They were advised en route that the resident was cooking and the food on the stove caught on fire. Upon arrival found a 2 story structure with nothing visible from the exterior and all of the residents had evacuated. The fire alarm was sounding throughout the structure. Upon investigation found mild smoke throughout the upstairs apartment but no fire or damage to the stove. Firefighters ventilated with positive pressure ventilation and the panel was reset to normal. Fire units then cleared the scene.
