Good Intent = 14	Hazardous Conditions = 3

Fires Reported in FireRMS page 1 of 3

November 7, 2015, 1:44 a.m. – East Lansing Truck 11 was dispatched to possible gas leak in an apartment on Marfitt. They arrived to find occupants standing in the parking lot. Firefighters investigated to find the apartment with an electric stove. Monitored throughout the apartment complex with readings in the normal range. Truck 11 found the stove to be electric with no gas appliances noted. The occupant stated they were cleaning the stove and saw a spark in it and then smelled something electrical burning. They also stated that the light stayed lit on the stove panel which was unusual. The stove was unplugged by fire personnel and the occupant advised to follow-up with maintenance. Truck 11 cleared the scene and returned to Station #1.

November 7, 2015, 7:16 p.m. - Called for a fire in a light fixture at a complex on South Shore Dr. Fire personnel arrived to find nothing visible. Battalion 11 assigned Truck 11 and Medic 11 to fire attack. All other units were ordered to stage. Truck 11 made entry and reported a fire in a bath fan which may have extended into the ceiling. Truck 12 was assigned to prepare to lay in to Truck 11. Truck 11 was able to remove the fan, smoldering insulation and verify extinguishment with the thermal imaging camera. The on duty fire investigator was called and Truck 12 and Medic 12 cleared. Command was transferred to Truck 11.

November 7, 2015, 11:19 p.m. - ELFD was dispatched to the 200 block of River for a trash or other materials burning in the street. Truck 12 responded emergency and arrived to find a chair smoldering in the road. Firefighters extinguishment completely with tank water via a bucket. They then cleared.

November 7, 2015, 11:47 p.m. - ELFD was dispatched to Cedar and Grand River for burning trash in the road. Truck 12 responded emergency and arrived at the 200 block of Cedar. The fire had consumed a pile of trash. Extinguishment completed with water and then Truck 12 cleared.

November 11, 2015, 7:20 p.m. - Dispatched to a location on Basswood for a possible structure fire. While Enroute dispatch also advised the house was unoccupied. Battalion 11 arrived at the scene to find a two story, residential house, nothing showing from the exterior. A 360 of the house showed a small interior fire on the floor. All rigs were updated with this information. Truck 11 was assigned fire attack and Medic 11 was assigned RIT. Station 2 units were assigned level one staging. Truck 11 requested a lined pulled to the front door along with positive pressure ventilation. Truck 12 was assigned this task. Truck 11 advised that the fire was out, did a search and checked for extension on the 1st and 2nd floor. Truck 12 did a search and checked for extension in the basement. Both units advised all clear on the search with no fire extension noted per the thermal imaging camera. Medic 12 did two separate 360 of the structure and noted some smoke in the gable area. Truck 11 and Truck 12 reentered the structure and checked the 2nd floor for fire extension. No fire or heat signatures noted with camera. The EL fire investigator and fire chief were contacted and advised of the situation. The fire inspector arrived at the scene and station 2 units were cleared. Command was passed to Truck 11 and Battalion 11 cleared the scene.

November 12, 2015, 2:34 a.m. – EL Battalion 11 and Truck 11 were dispatched to Pleasant Street to assist LFD on a structure fire. While en route dispatch advised them to respond to Rockford Street instead. EL Battalion 11 arrived at the scene and Rockford Command cleared ELFD rigs.

November 18, 2015, 12:41 a.m. - East Lansing Fire was dispatched to a brush fire on Trowbridge, west of Harrison. Truck 12 was assigned to the call and responded with three personnel. Dispatch advised that the police reported that the fire was on the east of Harrison along the rail line. Truck 12 arrived to find a small fire in brush along a fence line next to the rail road tracks. The truck crew used a inch and three quarters line to knock down the fire and then used an Indian tank and shovel to complete extinguishment. The area had water bottles and other trash around and the police on scene stated that the area was used by subjects smoking pot. No one in the area. Truck 12 crew completed extinguishment and then cleared the scene.
