### Fires Reported in FireRMS

January 9, 2016, 12:43 a.m. – East Lansing Truck 11 was dispatched for mutual aid to Lansing Fire Department. En route switched to Metro 1 and was ordered to stage at Oakland and Johnson. Shortly after they arrived Lansing B-41 cleared them. EL Truck 11 switched backed to main and returned to Station 1.

January 10, 2016, 7:37 p.m. - East Lansing Fire was dispatched to a fire on Garden City Road for a stove top fire that was out, but wanted the fire department to check it out. Truck 12 was assigned to the call and responded with 4 personnel. They arrived on the scene at a 3 story apartment building with nothing visible from the exterior. Truck 12 crew entered and went to apartment and firefighters found that the occupants had a plastic cover on the stove top that started on fire. There was some damage to the microwave and to the wall at the back of the stove. Truck 12 crew reset the fire alarm and the MSU Police were on the scene to take the report. Truck 12 cleared and returned to quarters.

### Training Reported in FireRMS

January 14, 2016, - Special Considerations – All on duty personnel went over changes in BLS, ACLS, and PALS.
