Fires Reported in FireRMS

January 22, 2016, 10:16 a.m. – Dispatched for a car fire at MAC and Elizabeth. T-11 went en route emergent with 3 on board. Arrived on the scene to find a 4 door sedan with flames coming out from under the front left engine compartment, no exposures or occupants inside the car. T-11 bent the hood up and extinguished the fire. It appeared to have come from the battery as the ignition source. Collected information from owner, the vehicle was towed and T-11 cleared.

January 26, 2016, 9:08 p.m. - T-11 was dispatched to 500 block of Albert for a fire alarm. While en route station 1 was updated that the caller from the residence had called station 1 directly and reported no fire and that cooking on stove was the cause of the smoke detector activation. T-11 downgraded response to normal traffic. Upon arrival they found the occupants outside the structure with the alarm sounding. T-11 investigated to find food on the stove that had burned and a smoke head in the kitchen vicinity activated. The alarm system was reset to normal operation. CRMC representative arrived as well to investigate the alarm. T-11 gathered information and cleared the scene and returned to station 1.

Training Reported in FireRMS

January 27, 2016, 1-2:30 p.m. – Patient Assessment – All on duty personnel had EMS training about sexual assaults.
