Fires Reported in FireRMS

February 20, 2016, 12:09 a.m. – EL Fire assisted MTFD with single story a structure fire on Hulett. Per dispatch, fire units went to Ingham TAC 1 channel. Upon arrival went to level 1 staging, gave command passports then to on deck. EL E-12 was assigned to first floor extinguishment. Most of the fire was knocked down upon entry. Firefighters started pulling ceiling and walls looking for extension and found some fire in the wall behind the refrigerator. Took out the wall, ceiling and extinguished the fire. Command ordered a secondary search for E-12. Search conducted, no victims found. Reported to command, E-12 was sent for new air and then assigned to 1st floor for overhaul. Once the fire was declared out, checked in with command and then released.

February 21, 2016, 5:12 p.m. – East Lansing Fire Truck 11 and Battalion 11 were called for mutual aid to Meridian Township for a possible house fire on Wild Ginger Trail. While en route dispatch advised EL units to respond non-emergent. When they arrived, Meridian Township Battalion 91 cleared them.

Training Reported in FireRMS

Febeburay 23, 24 and 25, 2016, p.m. – Special Considerations – All on duty personnel attended an EMS MI Medic review of pediatric medication administration.

February 24 and 25, 2016, a.m. – Operations – All on duty personnel attended AVI Training, Module 2. Completed personnel protection presentation, application and performance of donning the vest and helmet.
