**Fires Reported in FireRMS page 1 of 2**

February 7, 2016, 5:05 p.m. – EL Fire B-11, T-11 and T-12 were dispatched to possible structure fire in Meridian Township on Nemoke Trail. On arrival EL assisted MTFD with various tasks and then were cleared.

February 9, 2016, 3:10 p.m. - East Lansing Fire was dispatched to Mason Hall for a small fire in a dorm room that was out. T-12 was assigned to the call and responded with three personnel. They arrived at a large three story dorm building with nothing visible from the exterior. Staff stated that the occupant had left a candle in the room unattended and a box and papers caught fire. The occupant took the box out of the building and put it in snow to extinguish. Staff extinguished the remaining fire in the dorm room. Truck 12 crew found remains of a burnt box and some debris in the trash can and on the floor. The RA had pulled the pull station but the alarm never sounded. Truck called for MSU Police and IPF. They arrived and checked on the alarm and room. Truck 12 then cleared.

February 10, 2016, 8:29 p.m. - T-11 was dispatched to a fire alarm on Abbot Road. T-11 advised en route that the caller stated it was food on the stove but no fire. T-11 arrived to find the occupants evacuating a 3 story apartment complex with nothing showing. T-11 investigated to find food on the stove that activated the smoke head in the hallway outside one of the rooms. No damage noted to surrounding structure or oven. The fire alarm activated, sounded and was restored to normal operation by T-11. Smoke heads were removed in the apartment and the fire department stayed until they were replaced and operational. They also made contact with building maintenance and advised no keys within Knox Box. T-11 gathered information and cleared the scene.

February 18, 2016, 6:15 p.m. - Dispatched for a car fire at the 100 block of Elizabeth. T-11 responded emergent with 3 on board and while en route they could see a plume of smoke coming from the area. Arrived on the scene to find a fully involved engine compartment fire. Established command and attacked the fire. A line was pulled but unable to get water. The truck was taken out of pump and tried again and then was able to extinguish the fire. Advised dispatch that the fire was out and then terminated command.
