May 2, 2016, 7:07 p.m. - Called for a fire alarm on Applegate Lane. The fire department arrived and was met by the owner's son that stated there was an oven fire but it was out now, just a lot of smoke. He stated that some food was left in the oven yesterday (Chex mix), and that when the owner pre-heated the oven for dinner today, the contents caught fire. Upon finding the fire they opened the door and put water on it. The fire alarm had activated and the home was ventilated with positive pressure ventilation. The EL Fire Inspector was called in for a report and documentation. Truck 11 then cleared.

May 5, 2016, 9:52 p.m. – Truck 11 was called for dumpster fire at Watersedge and River Street due to Truck 12 was blocked in by a car in a parking lot. They arrived to find a dumpster on fire that contained a large sofa and some trash - no exposures. Fire personnel pulled the front jump line, put the fire out and then cleared the scene.
