Fires Reported in FireRMS

August 2, 2016, 10:7 a.m. – ELFD responded to Hagadorn and Grand River for a possible gas line leak, then updated to a possible electrical fire that was reported out. On arrival, police were on the scene and reported that construction crews were working on apartments and the problem was between apartments. EL Deputy Chief assigned T-12 to investigate and T-11 to stage on roadway. T-12 reported no fire and that it was electrical in nature. Command then advised dispatch to contact utilities, T-11 was cleared and command cleared shortly after passing command to T-12.

August 3, 2016, 12:59 p.m. - Called for a person burning brush in their back yard on W. Grand River. ELFD went normal traffic, arrived and found two persons burning brush in the back yard fire pit but had no burning permit. The fire was put out and advised them that a permit is required. They will get one before burning again.

No Training Reported in FireRMS
