Fires Reported in FireRMS

September 16, 2016, 4:13 p.m. - T-12 responded to a report of burning mulch next to a building on Trowbridge. Firefighters located the burned area with no visible fire but it was still smoking. They applied water and made certain the fire was out. They then cleared and asked dispatch to notify the management company of the minor mulch fire at this location.

September 18, 2016, 1:57 p.m. - Dispatched to a couch fire on Delta and Michigan. All units were out, and mutual aid was responding. EL Command was advised that LTFD was responding, but with only one person. EL Fire ask dispatch to send an LFD engine. About that time, both EL T-11 and T-12 were able to clear. LTFD was canceled and EL T-11 and T-12 arrived and extinguished the fire.

September 22, 2016, 10:10 a.m. - T-12 was dispatched to fire alarm at Bryan Hall. They were advised that it was a 2nd floor detector in the laundry room. T-12 investigated to find two washers overfilled and one of them was assumed to have a burned belt. T-12 noted no fire or smoke in the laundry room but n activated head in the same. The washers were unplugged, referred to maintenance and T-12 reset the fire alarm system.

Training Reported in FireRMS

September 21, 2016, 1:30-3:30 p.m. – SCBA Training – All on duty personnel performed SCBA inspection and donning. Also, performed vent, enter, search drill and practiced deploying and reloading triple layer hose load.
