**Fires Reported in FireRMS**

December 23, 2016, 3:21 p.m. - Dispatched on smoke coming from the back yard at residence on Harrison Road. Arrived and the home owner met fire personnel at curb. They stated they were burning tree limbs in yard. Checked the back yard and found a small brush pile on fire. The fire was on the ground and not in an approved burning pit. Fire personnel had the owner extinguish the fire with a garden hose and advised them of the ordinance requirements of an approved pit.

**Training Reported in FireRMS**

December 22, 2016, 1:30-2:30 p.m. - Fire Ground Safety - Watched firefighter videos in classroom on avoiding accidents on the fire ground and "what not to do."

December 27, 2016, 1:30 – 3:45 p.m. – Fire Ground Management - Blue Card overview.
