Training Reported in FireRMS

January 4, 2017, 9-9:30 a.m. – Customer Service – All on duty personnel attended a presentation by a Red Cross representative regarding the services they provide to citizens who are displaced from their homes due to structure fires. This included lodging for people and their pets, petty cash, medications and eye glasses. Also, they presented information about the public service programs they provide. This included smoke detector installation and emergency preparedness.

January 4, 2017, 1:30-2:30 p.m. - First Responder Operations – All on duty personnel attended a class given on the new 4 gas monitors. This included operation, maintenance and service.
