#### **Fires Reported in FireRMS**

July 20, 2017, 11:59 -T-12 was dispatched for an extinguished fire in a lab at dispatch location, T-11 responded for T-12 due to training. T-11 responded emergent with three on board. T-11 ATF large 3 story college lab building with nothing showing, no occupants evacuated, no audible alarms nor visible strobes. T-11 investigated S148 to find two individuals performing experiments, odor of burnt paper, no smoke and a discharged fire extinguisher outside the entrance to S148 that still had a pressure reading in the green. One of the individual's performing experiments confirmed there was a fire after she placed hot forceps in a test tube containing approx. 20ml of ethanol, stated that the ethanol immediately caught fire, she placed the test tube of burning ethanol into a metal trash can and utilized the discharged fire extinguisher to extinguish the fire. T-11 investigated the metal trash can, which had been placed into a trash bag PTA and found extinguished burnt papers and dry chemical extinguisher powder. No smoke, fire extinguished. T-11 contacted dispatch via radio and requested MSU Fire Marshall to be notified. T-11 cleared.

#### **Training Reported in FireRMS**

July 19, 2017, 4 hours- Metro RIT Training consisting of Nance Drill, Denver Drill, Widow Maker Drill, and SCBA/follow the hose/RIT air pack Drill.

July 19, 2017, 4 Hours- Annual Water Rescue class consisting of 2 hour lecture and 2 hour practical boating on Lake Lansing.

July 21, 2017, 1 hour-SCBA and PPE drills. Assemble SCBA in a dark environment, don, and go on air.

July 25, 2017, 5 hour- ELFD units performed drivers training and cone course at parking lot. STO and Capt. monitored the driving of fire trucks through the designed cone course. There was an a.m. and p.m. session.
