Fires Reported in FireRMS

September 29, 2017, 12:25 AM- T-12 dispatched to 522 Orchard for a poss. structure fire. Upon arrival T-11 stated moderate smoke coming from Charlie side of residence. T-12 on scene level one stage. Command instructed T-12 to establish a water supply for T-11. Water supply established. T-12 performed ventilation from Alpha side. Overhaul performed in kitchen area, TIC showed no heat signature from all views. Command cleared T-12 from scene. Cleared with dispatch.

September 29, 2017, 1:01 PM -12 was dispatched to fire alarm. T-12 found 4 story dorm with nothing showing and no one evacuated. T-12 investigated to find occupant was cooking in microwave and something burned. Smoke head activated and local alarm sounding. T-12 reset fire alarm and cleared the scene. Occupant advised to get another microwave. Microwave unplugged.

September 28, 2017, 6:42 PM- East Lansing Fire dispatched to a possible structure fire at 1848 hours. Truck and Battalion 11 were assigned to the call and responded with a total of four personnel. Truck and Battalion 11 arrived on scene and were assigned by command to stage at Franklin and Babbitt. Truck and Battalion Level one staged at that location. Command cleared both units due to no fire found. Both units cleared the scene and returned to quarters.

October 1, 2017, 5:01 PM- Dispatched to above location for a poss. mulch fire. Upon arrival found two areas of land that were on fire including a school playground and a section of woods adjacent to the playground. T-12 deployed a front jump line and extinguished both fires with approx. 350 gallons of tank water. ELPD stated they had one subject in custody that stated he and others had started the fires. T-12 cleared with dispatch.

October 1, 2017, 5:50 PM- East Lansing Fire dispatched to a building fire in the City of Lansing at 1758 hours. Battalion 11 was assigned from East Lansing Fire as an extra Battalion Chief. Battalion 11 arrived on scene and was assigned side boss. Battalion 11 directed crews in the rear of the building in overhaul. Once all crews were done in the back, reported to Command for another assignment. Command cleared Battalion 11. Battalion 11 cleared the scene and returned to quarters.

October 2, 2017, 7:12 PM- T-12 was dispatched to fire alarm. T-12 found occupants evacuated from building with alarm sounding. T-12 investigated to find apartment #5245 has multiple heads activated. T-12 found apartment door locked. MSU PD to get key. T-12 finally made entry to find burned food in sink w multiple smoke heads activated. T-12 reset fire alarm panel to normal operation. T-12 instructed R.A.'s to have occupants meet the fire truck at the curb to explain the situation. T-12 cleared and returned to Station #2.

October 2, 2017, 12:21 PM- Received a phone call to station 1 from BWL. They are on scene of a power line down, where the power was cut, and the tree limbs that were in contact with the primary line are still burning. Responded non-emergency to scene because we had just been released by BWL about 30 minutes ago. Arrived and pulled a crosslay to reach the tree limbs. Used about 500 gallons of water to soak the tree and surrounding vegetation with water and foam. No smoldering noticed afterwards. BWL on scene and will be there for about 2 more hours. Advised them to call us back if needed.

October 3, 2017, 12:20 AM- ELPD on scene of a brush fire of approximately 200 sq./ft. 70 ft. Area is just trees and brush. A large log was on fire also. Fire extinguished with front jump line in about a minute. No exposures. T11 cleared. ELPD said they will check on it during the night.

October 5, 2017, 8:09- T11 spotted at hydrant 150 ft. behind T12. Was heading to check building to the west per command when T12 said to clear all units. T11 cleared

October 6, 2017, 6:25 PM- Called for fire alarm. Arrival and the alarms going off. Occupants out of the building. Occupants of room 1 had some grease that caught on fire. no smoke or fire. Alarm reset to normal T 11 cleared.

October 7, 2017, 11:49 PM- T-12 dispatched to a couch fire. T-12 extinguished fire. Cleared with dispatch.

October 7, 2017, 11:28 PM- T-12 dispatched to a couch fire. T-12 extinguished fire. Cleared with dispatch.

October 7, 2017, 11:35 PM- On the road, dispatched to a couch fire in the roadway. Arrived and found full involved couch fire. Used booster line to extinguish fire. Removed debris from roadway and placed on the road side.

October 8, 2017, 12:31 AM- Dispatched to a poss. mattress fire in parking lot. Fire extinguished. Cleared with dispatch.

October 8, 2017, 1:12 AM- T-12 dispatched to a chair fire. T-12 extinguished fire. Cleared with dispatch.

October 8, 2017, 2:05 AM- Couch fire. Fire extinguished. Cleared with dispatch.

October 8, 2017, 2:06 AM- Dispatched to a couch fire. Fire extinguished. Cleared with dispatch.

October 13, 2017, 3:14 AM- T-11 was dispatched for a burning box in front of building 2 at disp loc. T-11 responded emergent with four on board. T-11 ATF embers of a fireworks box burning in mulch one foot to the left of the Alpha/Bravo entrance of building 2. Embers were kicked out of the mulch onto the grass and extinguished with a 5 gallon bucket of water from T-11. Security stated that fireworks were being set off earlier by residents of apartment 221. T-11 contacted residents and advised fireworks are only allowed for three days around specific holidays and only during set hours. Resident apologized

sincerely and stated she was unaware of city code. Answered all questions honestly, gave information willingly and admitted to setting the fireworks off. T-11 confirmed burning box extinguished. T-11 cleared.

October 17, 2017, 3:14 PM- Received a phone call to station 1 from BWL. They are on scene of a power line down, where the power was cut, and the tree limbs that were in contact with the primary line are still burning. Responded non-emergency to scene because we had just been released by BWL about 30 minutes ago. Arrived and pulled a crossway to reach the tree limbs. Used about 500 gallons of water to soak the tree and surrounding vegetation with water and foam. No smoldering noticed afterwards. BWL on scene and will be there for about 2 more hours. Advised them to call us back if needed.

October 7, 2017, 8:49 PM- Dispatched to above location for a poss. grease fire on the stove. Upon arrival found no Smoke/Fire. No smoke detection activation. Tenants stated they were cooking and had a small grease fire on range top. Tenants stated they extinguished fire PTA. TIC showed no extension with no damage to kitchen. Cleared with dispatch.

October 12, 2017, 7:02 PM- Dispatched for possible structure fire stove on fire we were cleared just as we arrived on scene and returned to station.

October 14, 2017, 6:04 AM- Dispatched to Munn Field for trash can fire. Enroute from Station 2, can see smoking trash can from station. Pulled trash can to side of road and filled with water. No smoke or fire present. Truck 12 clear.
