Fires Reported in FireRMS

December 21, 2017, 6:35 PM - East Lansing Fire dispatched to a possible structure fire in the City of East Lansing at 1835 hours. A box alarm for the City of East Lansing Fire Department was dispatched with a total of 12 personnel responding. Truck 12 arrived on scene and reported a large three story apartment building with nothing visible from the exterior. Battalion 11 arrived on scene and took command and had Truck 11 stage at the hydrant on Grand River and Truck and Medic 12 to investigate the cause of alarm. Truck 12 reported that there was smoke from apartment and they were entering the apartment. Truck 11 was called up to go on deck at the alpha side. Truck 12 reported that there was high heat and smoke. Battalion 11 requested an Engine and Truck from Lansing Fire and an Engine from Meridian Township. Truck 12 reported that they found a small amount of fire on a mattress and extinguished most with water extinguisher. Truck 12 asked for a hose line to the third floor. Truck 11 and Medic 11 crew assigned to stretch a hose line to the apartment using a ground ladder and had Truck 12 raise the aerial to the window as well. Truck 12 radioed that they needed to recycle. Lansing Engine 48 assigned to search the second floor and Meridian Township to search the first floor. Truck 11 assigned to change places with Truck 12 crew. Truck 12 reported that the fire was under control. Truck 12 and Truck 11 had face to face and Truck 11 went to the apartment and Truck 12 crew changed bottles and went to on deck. All units reported secondary search negative in findings. All Meridian and Lansing Units cleared from the scene. Truck 11 reported that they had check and found no extension. The on-duty East Lansing Inspector was requested and responded to the scene. Fire declared out by command. All Fire units cleared the scene and returned to quarters.

December 28, 2017, 5:30 PM- B-11 dispatched for mutual aid to MTFD for a possible garage fire. Upon arrival found moderate black smoke coming from Alpha side from a detached garage. Homeowner stated 4-5 vehicles in garage. B-11 assumed command and coordinated fire attack and ventilation with MTFD E-91 and ELFD T-11. B-91 arrived and assumed B-11 scribe. Fire

extinguished, overhaul performed. Seat of fire was a car engine with no extension to existing garage. B-11 gave command to B-91. T-11 B-11 cleared with dispatch.
