Fires Reported in FireRMS

June 14, 2019, 3:19 PM- T-12 was dispatched to restaurant for mulch on fire. T-12 atf a small plastic cup burning in the parking lot. Bystanders stated the cup was in the mulch and they pulled it out and tried to put it out. Cup would reignite when they stepped on it. T-12 extinguished cup with water. T-12 also drenched the surrounding area with water as well. T-12 cleared and returned to Station #2.

June 19, 2018, 3:27 PM- Dispatched to a burning complaint. Responded non-emergency to area. Arrived and resident met us at the curb, stated he was burning, and asked if it was a problem. Stated he did not have a burn permit. Advised him he would need to extinguish the fire because he did not have a permit and somebody complained about the burning. He was burning some scrap lumber and leaves. We extinguished the fire. Advised him he could not burn leaves or scrap lumber and he needed a burn permit for fires contained in an approved container. Also informed him how to obtain a burn permit.
