**Fires Reported in FireRMS**

**October 20, 2018, 12:46 AM-** Dispatched for car fire. Enroute emergent from Station 1 with 3 aboard Truck 11. Arrived on scene to fully involved car fire, with vehicle next to it sustaining damage. Car fire extinguished with tank water. Access to trunk and hood obtained, power to vehicle disconnected. Owner of vehicle on site, states she was sitting in passenger seat smoking earlier, but was sure cigarette was out. Owner of other vehicle also on scene. ELFD Fire Inspector advised of situation. PD called for tow truck. Vehicle will be towed to EL Impound Lot. Fire Inspector to follow up with owner in the morning. Truck 11 clear.

**October 20, 2018, 10:39 PM-** Dispatched to a couch fire in the roadway. Arrived and found ELPD out with a fully involved couch fire. Couch was in the middle of the road. We extinguished the fire and moved the remains out of the roadway. No one on scene admitted how the fire started.

**October 20, 2018, 12:52 PM-**While on previous call, B11 dispatched to a dumpster fire. T11 cleared and responded. Found dumpster on South side of building. Contents of dumpster on fire. Extinguished with booster reel. Bystander stated she witnessed someone pour hot charcoal into dumpster shortly before fire started. Unknown who put charcoal into dumpster.

**Training Reported in FireRMS**

**None to report of at this time.**
