

# 2021 Buddy Basketball Program

## A Developmental Program Kindergarten - 1st Grade

### REGISTER EARLY

This popular program fills up fast and space is limited to 10-12 kids per group. Register early to secure a spot!

This program provides an early introduction to basketball for Kindergarten-1st grade. Buddy Basketball emphasizes fun and skill development in dribbling, passing, shooting and other ball handling skills. This program is co-ed.

Group coordination and sportsmanship will also be covered. This is not a league so no games will be played. The last two sessions will include team scrimmages.

This year the program will be 6 weeks long and takes place on Saturdays at the East Lansing Hannah community Center. The session will be offered:

**Jan. 23 - Feb. 27, 2021.**

Each child will be assigned a 50-minute session in the morning or early afternoon. The exact program time will be determined by participation numbers. A confirmation letter will be mailed to you with your child's assigned time. Your registration fee will include a personal basketball for your child to keep.

**Due to COVID we don't want the kids to share basketballs.**

**COVID-19 Statement** - Given the current conditions, we are limiting the number of adults accompanying the child participant to one per child as a spectator in the gym. Each time the child is dropped off we will be taking a temp check and asking health questions. As indicated above, each child will have their own basketball, so they won't be sharing equipment. Health department mandates for face coverings will be followed.

We will do our best to honor your requests (times, friend groupings, etc.). No refunds/credits for cancelled registrations.
