WHO MUST FILE A RETURN

Every resident, nonresident, or part-year resident of East Lansing, including renters, who had a gross income of \$600.00 or more must complete and file a return, even if you're not required to file a Federal return. You are required to file a tax return and pay tax even if your employer did not withhold East Lansing tax from your paycheck. You will be required to make estimated income tax payments if you work for an employer not withholding East Lansing tax from your 2020 wages.

ESTIMATED TAX PAYMENTS

When your total income tax is greater than the amount of tax withheld plus other credits, by \$100.00 or more, you may be required to make quarterly estimated tax payments. File Form EL-1040ES (available on the East Lansing website) by April 30 of the tax year and pay at least one-fourth (1/4) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year. **Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest.** If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

DUE DATE AND EXTENSIONS

Returns are due **on or before April 30, 2020**. The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, use the Application for Extension of Time to File a East Lansing Income Tax Return and attach a copy of Federal Form 4868 or 7004. Applying for a federal extension does not satisfy the requirement for filing an East Lansing extension. **Application for an extension must be made and the tentative tax due must be paid by the original due date of the return (MCL 141.664).** Filing an extension with payment is not a substitute for making estimated tax payments. **An extension does not extend the time for paying the tax due.**

AMENDED RETURNS

File amended returns using the Amended Income Tax Form. If a change on your federal return affects East Lansing taxable income, you must file an amended return within 90 days of the change and pay the tax due. All schedules supporting the changes should accompany the filing. Every change must be explained. Mail amended returns to: **City of East Lansing, Income Tax Processing Center, P.O. Box 526, Eaton Rapids, MI 48827.**

CHARGES FOR LATE PAYMENTS

All tax payments remaining unpaid after they are due are liable to a penalty of 1% per month, not to exceed a total penalty of 25%, and bear interest at the rate of 1% above the prime rate on an annual basis. The minimum combined charge for interest and penalty is \$2.00.
