## **STREET IMPROVEMENTS TO BE COMPLETED IN YOUR NEIGHBORHOOD**

### **ABBOT ROAD FROM SAGINAW HIGHWAY TO LAKE LANSING ROAD**

The Abbot Road Improvements project between Saginaw Highway and Lake Lansing Road in the City of East Lansing will begin shortly. This project consists of roadway crushing, shaping, and paving; select sidewalk replacement and sidewalk ramp upgrades, pavement markings and signing improvements. Michigan Paving & Materials Co. will be constructing this project. You are receiving this flyer because your residence and/or business may be affected by the construction.

The Abbot Road project is scheduled to begin May 10, 2021 (weather permitting) and be completed no later than August 13, 2021. Equipment, materials, and maintaining traffic items will begin to arrive onsite in the next week. Abbot Road will be closed to the public and the detour will utilize Harrison Road to the west of the project limits. For those who only have access from Abbot Road, a lane of traffic will be maintained at all times for local traffic and will be designated by signs, barricades, barrels and flag personnel. Access to businesses will be maintained at all times. Below are details about the public virtual meeting that has been scheduled to provide more detailed information about the project, including the project schedule and proposed sequence of construction events. This meeting is intended for the public to be able to join at their convenience and ask questions. The public meeting information is as follows:

**Location: Zoom Meeting**

**Date: May 6, 2021**

**Time: 4-6 p.m.**

The City of East Lansing has contracted **ROWE Professional Services Company** to perform construction engineering and oversight for the Abbot Road Improvements project. ROWE will oversee all construction operations and address any concerns expressed by residents and business owners. The public meeting provides an opportunity to meet the project team and onsite personnel that will be available to stakeholders throughout construction.

Project stakeholders are encouraged to contact ROWE staff member **Jared Stanford, (onsite construction engineer) at (989) 450-6662** or Sean Beckman, PE, (engineer of record) at (616) 272-7125 should any questions or concerns arise at any time during the construction process.

**Our goal for this project is to ensure the citizens of East Lansing receive a high-quality project with as little inconvenience as possible.**

If you have any additional questions for the City, please contact Nicole McPherson, PE – Deputy Director, Department of Public Works at [nmcpher@cityofeastlansing.com](mailto:nmcpher@cityofeastlansing.com) or 517-319-6928.
