1	We had a great time with our young kids. It's wonderful to just let them run around in an outdoor space without worrying about cars.	9/1/2021 7:59 AM
2	No car noise, danger etc. cities are for people not machines.	8/30/2021 10:27 AM
3	It's an awesome outdoor space and presents an inviting and causal vibe. Basically, very inviting, seeing all of the social activity happening! It makes me want to join in, people-watch, etc.	8/23/2021 9:39 AM
4	The outdoor seating	8/22/2021 4:52 PM
5	It was a place to gather outside without traffic.	8/21/2021 9:52 PM
6	This gave East Lansing a real chance to create a public square for everyone, and based on the dozen + times my family and I visited the space it was clear that it was attracting a very vibrant and diverse group of people. One of the Sundays I recall an older group of adults crocheting on the reclining chairs, kids running around playing in the maze, some college students working outside, and a wide range of people meeting up to talk. Albert EL Fresco created the conditions by which downtown EL can become a mixed use mixed purpose environment. Without it, it will naturally cede to a college ghetto. I look forward to supporting ways to keep this up permanently.	8/21/2021 8:56 PM
7	It was such a cheery place that drew people of all ages.	8/21/2021 5:57 PM
8	Outdoor seating and the lack of traffic	8/21/2021 3:29 PM
9	I love the pedestrian only vibe!	8/21/2021 11:05 AM
10	The pandemic forced us to think differently. I'm incredibly disappointed that y'all want to rush back to the usual, especially with the Delta variant running rampant.	8/21/2021 9:18 AM
11	It was good for families, adults, it was good to be outside in an urban space to walk around	8/21/2021 9:02 AM
12	This was an awesome idea. I hope the city does it each summer.	8/21/2021 8:39 AM
13	Pleasant, fun, very pragmatic during pandemic.	8/20/2021 9:36 PM
14	open space and added vitality	8/20/2021 9:11 PM
15	East Lansing has very few outside dining options, Albert EL Fresco was ideal for dining while people watching without having to listen to or smell the traffic.	8/20/2021 8:27 PM
16	I think you should be able to consume alcoholic drinks in restaurant approved to go containers	8/20/2021 8:11 PM
17	It is blocked a lot of parking spaces and hindering commerce.	8/19/2021 1:53 PM
18	Bright, pleasant, welcoming place. Much safer than indoors during this pandemic.	8/18/2021 3:50 PM
19	Something different. Provided more room for safely mingling and waiting for seating at restaurants,	8/17/2021 7:55 PM
20	A greater sense of community. Something to do while waiting for tables at restaurants.	8/17/2021 7:13 PM
21	I like the outdoor eating space. I don't know why it wasn't in the plan to begin with for the new restaurants.	8/17/2021 6:57 PM
22	It was a great way to get more people outside to enjoy the local businesses and events that took place.	8/17/2021 4:26 PM
23	This is what downtown EL was missing.	8/17/2021 2:21 PM

Albert EL Fresco Community Feedback

24	This is a great idea that should be permanent in some capacity. EL is not particularly pedestrian friendly, so this was a great way to get people out, patronizing businesses, building community, etc in a safe environment away from traffic. This is a cool, progressive project that I'd associate with a city like Ann Arbor or Kzoo (this is a good thing). Great way to showcase the new 'skyscrapers' and the businesses that inhabit them.	8/17/2021 12:45 PM
25	Places to eat, great vibes, fun for all ages	8/17/2021 12:08 PM
26	It's a great space to be in and enjoy downtown EL. I love it and think it should be available year-round! (Yes, even when there's snow and bright sunshine ti enjoy!)	8/17/2021 11:08 AM
27	Perfect spot to hang out before or after dinner. Motivated me to frequent business downtown knowing it would be there as an added benefit.	8/17/2021 10:39 AM
28	This space is so fun and inviting! It's rare to find a public space that allows people to simply exist, without an expectation of spending money. Yes, there are restaurants and businesses to visit if you choose, but you can also simply bring a book and lounge for the afternoon.	8/17/2021 10:18 AM
29	Not enough shade. Pavement radiates. Limited seating often taken.	8/17/2021 10:02 AM
30	Love having extra seating, extra space to walk, fun things to do.	8/17/2021 9:55 AM
31	Bright colorful, car free Make sure bike lane still accessible	8/17/2021 9:43 AM
32	It was a fun space.	8/17/2021 8:37 AM
33	It seems nice, but far more helpful to some business than others. Also seems to benefit residents with children above those without. I understand that things like this improve life and property values for all, but where is something with a specific benefit from tax dollars of a high-income, middle-age taxpayer in East Lansing? I'm happy to help pay for your kids schools, but closing certain streets for them to play in while diverting money away from businesses not adjacent to the play space doesn't sit quite right. I am not the owner of a business located in East Lansing, but I think that the City Council missed the mark on equality this time.	8/17/2021 8:12 AM
34	It was such a unique spot in the lansing area - I can't think of another spot that you can hang out in that doesn't require you to buy food/drinks but is close to the downtown area. Really wish this could be an all year (or most of the year) thing	8/17/2021 8:03 AM
35	Great to see people out enjoying downtown and thinking of potential based on visits to Pearl Street in Boulder, Church St in Burlington, and others.	8/17/2021 7:55 AM
36	Loved the vibrant colors, the wide variety of activities (hammocks, games, pickle ball), the design (the beer barrels are a MUST going forward) and string lights. This was a huge step forward for East Lansing's efforts in downtown East Lansing.	8/17/2021 7:37 AM
37	The pandemic has changed the way I feel about being in public spaces and I appreciate having a venue in town where I can meet with friends comfortably.	8/17/2021 7:23 AM
38	I love the safe outdoor space for kids to enjoy downtown protected from cars and Covid!	8/17/2021 7:17 AM
39	Love the outdoor space.	8/17/2021 7:10 AM
40	Very fun space. Much more inviting when walkable	8/17/2021 7:06 AM
41	Safety. EL is making strong effort to keep us safe and promote downtown businesses during this pandemic.	8/17/2021 7:05 AM
42	We enjoyed being in an open space with people.	8/17/2021 6:39 AM
43	Great community gathering	8/17/2021 6:39 AM
44	Love the creative use of street space to bring more families downtown and expand outdoor seating. It just makes the whole downtown more fun and welcoming.	8/17/2021 6:04 AM
45	Love beautiful outdoor space. Games, chairs etc. family oriented activities. Integrating all ages.	8/17/2021 3:21 AM
46	Cool	8/16/2021 11:54 PM
47	So nice to see East Lansing be family friendly. There are so many families that live here all year around (unlike the students) that generally avoid downtown East Lansing because it's just	8/16/2021 11:45 PM

too chaotic. But this changed everything. We couldn't wait to frequent Albert EL Fresco this summer (all summer long!) as a young family!

48	Very colorful, engaging, lots of spaces with variety in seating. Live music is great.	8/16/2021 11:31 PM
49	A fun, safe, family-friendly environment outside. Our family loves it!	8/16/2021 11:29 PM
50	It's a fantastic reason to go downtown!	8/16/2021 11:16 PM
51	Unsure what you are asking here	8/16/2021 11:03 PM
52	Festive atmosphere	8/16/2021 10:51 PM
53	Great outdoor gathering space safe for my kids to play and wander too.	8/16/2021 10:41 PM
54	That the space is focused on building the EL community instead of just focusing on being a road. It makes gathering safer. It makes walking and biking downtown safer.	8/16/2021 10:39 PM
55	I really enjoy community and pedestrian friendly areas, and Albert EL Fresco provided both of those things.	8/16/2021 10:37 PM
56	Such a colorful and friendly use of space - great outdoor spot to meet up with friends	8/16/2021 10:33 PM
57	Because	8/16/2021 10:32 PM
58	Strongly activated our downtown with opportunities for safe-distancing while gathering.	8/16/2021 10:06 PM
59	It creates a great feeling of a family community that East Lansing sometimes lacks because it feels like it's a student-only town.	8/16/2021 9:44 PM
60	Nice to have the space to meet with people but the restaurants there were over crowded. There should be more outside seating available so people can eat and drink outside.	8/16/2021 9:36 PM
61	It's a fantastic community space	8/16/2021 9:01 PM
62	I loved the fun activities, even just the lines for racing on the ground were fun!	8/16/2021 8:46 PM
63	Enjoying time outside with neighbors	8/16/2021 8:42 PM
64	I love that it is family friendly and a great place to walk with my family for dinner and entertainment. I also loved the free workout classes (yoga, pure barre). It really is a great addition to the city!	8/16/2021 8:41 PM
65	It was great to see community out and about enjoying and supporting local businesses.	8/16/2021 8:21 PM
66	I really appreciate the outdoor dining and entertainment options, especially for my children who want to be out of the house but are too young to be vaccinated. It was a very nice cross-section of the community and a great chance to connect with neighbors and friends. We met friends there multiple times throughout the summer.	8/16/2021 8:19 PM
67	Felt really welcoming, really nice to have a public space to walk in and exist in without spending money, so important	8/16/2021 8:19 PM
68	It's so bright and fun and focused on people making connections while supporting their community. I LOVE IT.	8/16/2021 7:57 PM
69	A clean comfortable public space	8/16/2021 7:55 PM
70	Great outdoor space, increase foot traffic, great for kids, encourage outdoor dining, decrease dominance of vehicle traffic	8/16/2021 7:53 PM
71	I have lived in EL for 14 years and the downtown is usually pretty inactive during the summer (other than El Az and outdoor concerts at Ann St Plaza and festivals) it was so amazing to see that entire corridor alive with activity every night, including week nights. I loved how it seemed to attract a variety of demographic groups. I will honestly be SO disappointed if this initiative does not become a permanent part of EL summers!	8/16/2021 7:37 PM
72	It's just nice to have a place like that super close. Easy to get to and fun for the community	8/16/2021 7:21 PM
73	Wish there was more seating. Expand this to all of downtown.	8/16/2021 7:21 PM
74	Loved having a place to go and socialize with a large group of people and be among a downtown. It was nice to be downtown and not have to worry about cars or just popping in and	8/16/2021 7:15 PM

out of a restaurant it was nice to be able to socialize and enjoy the Downtown.

75	The extra open space downtown was a big draw for my family to visit the area. Removing cars from those blocks made it much more appealing to visit/hang out. I wish we could keep the car free area and leave some of the sturdy seating long term (even if the games, hammocks, etc went away).	8/16/2021 7:11 PM
76	Open, exciting environment. Lots of activity. Critical point: with out the el fresco setting Albert is FAR TOO noisy.	8/16/2021 7:05 PM
77	It's a unique fixture of East Lansing. I am a local and enjoy walking up there.	8/16/2021 7:04 PM
78	This is an excellent use of space in downtown EL! I think it should be year round.	8/16/2021 7:03 PM
79	I love the yard games and hammocks. It brought such a fun energy to East Lansing!	8/16/2021 6:54 PM
80	This was one of the only places in East Lansing that made me feel like this place is a community. Otherwise everyone is cooped up in their houses or their cars. You very rarely see people walking around outside, this space was the exception.	8/16/2021 6:11 PM
81	...	8/16/2021 6:10 PM
82	This was one of the best ideas East Lansing ever had. We loved going every weekend and letting our little one run around. Please make this permanent, it will completely revitalize downtown for years to come.	8/16/2021 5:59 PM
83	We have a toddler son and he absolutely loved running around all the colorful tape and playing the games. It was so nice to have that space for him to run around safely in between visits to local businesses	8/16/2021 5:59 PM
84	It's unique, colorful, and the activities have been great for all ages	8/16/2021 5:31 PM
85	Made downtown more vibrant and entertaining.	8/16/2021 5:28 PM
86	Great dining options. Enjoyed sitting outside to eat and people watch.	8/16/2021 5:27 PM
87	Brought liveliness to downtown EL in the summer, which can be more quiet	8/16/2021 5:22 PM
88	Great environment	8/16/2021 5:20 PM
89	Cities that thrive bring together all of the elements of that community. This was a big step forward. A lot more should be invested in designs that foster community.	8/16/2021 5:20 PM
90	It made downtown East Lansing feel more social and community like	8/16/2021 5:17 PM
91	It has a nice variety of seating and the games are fun for the whole family	8/15/2021 1:28 PM
92	Love the ability to get items from multiple locations and sit at one of the tables. However, the past few times I've been here the shade canopies are not up in the morning. It's very hot without shade.	8/15/2021 12:48 PM
93	It's a great place for families with a relaxing atmosphere.	8/14/2021 6:30 PM
94	It gives people an opportunity to enjoy the fresh air as a community	8/14/2021 3:35 PM
95	This is what EL needs, in perpetuity. Having. Open space like this along the newer buildings is great. Wish this was a permanent move as it would greatly enhance the town of EL in all seasons, and the limited impact to the few businesses is marginal to the over all feel of a town. Hope this continues.	8/14/2021 11:21 AM
96	Too sunny. With umbrellas, you'd be looking at a Very Satisfied	8/14/2021 11:19 AM
97	I wish the shade sails were out, since it's quite sunny!	8/14/2021 11:18 AM
98	Enjoy outdoor dining	8/13/2021 6:27 PM

100	Felt like a big city	8/10/2021 9:08 PM
101	Family oriented, crowd that caters to all ages	8/10/2021 8:55 PM

107	The closed down street and market lights are amazing. Exactly what this city needs.	8/5/2021 10:03 PM
108	Seating was spaced enough that I couldn't hear other parties conversations, seating was comfortable	8/4/2021 9:47 PM
109	When I was returning from my pilgrimage for competitively priced cigarettes compared to my humble abode of New York, the elegant and refined simplicity of the adirondack chairs caught my eye. I figured since I just ate cheese fries, my tender boy legs could use a rest while I savored the sensation of a refreshing cigarette. All of my expectations were met and thoroughly satisfied. Will be coming here again for my next twilight cigarette.	8/4/2021 8:42 PM
110	This is exactly the kind of urban, people-centric plaza that I want to see in Cities. There aren't enough places like this in US cities.	8/4/2021 6:45 PM
111	No traffic disturbing outdoor searing, the ability to walk/bike without traffic noise and exhaust and check out multiple businesses	8/4/2021 2:39 PM

158	Nice, quiet car free spot to sit outside. Don't have to pay to be in a nice space.	7/21/2021 7:57 PM
159	I am from Mount Pleasant, home of Central Michigan University. Being from another larger college area, I feel as though they lack the "community" feel. Sitting outside in this space sipping coffee from Foster Coffee, I feel it's a great space to just lounge, chat with a friend, work on homework, read or play a game. I look around and see others doing all of these things in a bright, clean, unique, safe space. Well done!	7/21/2021 6:03 PM

95	More seating. The layout with games along have the road still make it feel like a road. Bring in some portable trees to add to the experience. It's not super clear if you can have an adult beverage outside of Barrios, but that could be by design. As a resident of EL, this place is a great starting piece.	8/14/2021 11:21 AM

142	Keep it going. Fireplaces/heater in the fall/winter. It's a very unique opportunity for outdoor public space in EL. Many cities do not have this opportunity or cannot pull this off.	7/27/2021 9:17 PM
143	More seating, maybe street art? Kid chairs with adult ones.	7/27/2021 4:39 PM
144	Umbrellas	7/27/2021 4:11 PM
145	More of the turf ground covering. Community art displays/installations? Maybe some live music? A 'community' table at the patio restaurants for small groups to meet their neighbors and get a slight discount on food and drink.	7/26/2021 9:12 PM
146	I would love to see more events held in the space, especially community art or exercise classes that could take advantage of the big open area or live music for dancing.	7/26/2021 9:09 PM
147	More chairs	7/25/2021 9:50 PM
148	Pitt putt golf	7/25/2021 8:59 PM
149	On the south sidewalk, there is not a very well defined route. In a lot of European restaurants, they leave the sidewalk open right by the building facade so that foot traffic can still navigate directly through, but have their outdoor seating at the edge of the side walk and, in this case, in the street. Opening up the chained off sections just a few feet at the building facade and letting foot traffic through would be great if it can be well regulated. Other than that, everything is great!	7/25/2021 6:23 PM

4	Albert is one of many streets in downtown EL that is duplicative and traffic could adapt with temporary or permanent closure. Any opportunity to reclaim excessive roadways is a big win for a more thriving downtown EL.	8/21/2021 8:56 PM
5	Grand River to to the extent possible. And the MSU campus. Get some olaces to put food trucks on campus and build out some areas to hang out there. Storm the fortress MSU	8/21/2021 3:29 PM

22	Just pick a spot and make it permanent	8/17/2021 8:37 AM
23	The basic concept is good, but there are so many public spaces already available without closing streets. We have beautiful and plentiful parks and school yards. Why not facilitate an opportunity for every business to bring downtown to the residents, as much as bringing the residents downtown?	8/17/2021 8:12 AM
24	I'm not sure, it's hard to think of what kind of open spaces would allow for a space like that.	8/17/2021 8:03 AM

29	Instead of adding space, focus on improving or maintaining Albert space. People have already adjusted to the inconvenience of shutting down that part of the road. They know where the Alfresco areas are, and I do not see value in adding additional areas at this point.	8/17/2021 7:05 AM
