Important Ordinances

Bulk Item Pickup

Ord. 1300: In an effort to create a cleaner and safer community, the East Lansing City Council approved an amended ordinance that allows for a shortened notification period for bulk item violations.

Bulk items include furniture, appliances, carpet, mattresses and other large rubbish items that exceed 40 pounds and/or do not fit in a 32-gallon yellow City trash bag. If these items are placed at the curb without a City sticker/scheduled pickup or on the wrong day, they are in violation of the City's amended litter/bulk item ordinance. Residents now have two hours to remove these items if they receive a face-to-face notification and eight hours to remove items if a violation notification is posted outside of their residence.

A citation can be issued if bulk items are not removed from the curb in these allotted time periods, resulting in fines (currently set by the court at \$220 for similar violations) and abatement costs (\$35 if removed during regular business hours or \$150 if removed after hours.) Removed items should be placed inside of the resident's house or garage until the appropriate scheduled pickup date. For more information, or to schedule a pickup, [visit www.cityofeastlansing.com/DPW](http://www.cityofeastlansing.com/DPW).

Fireworks

Sec. 26-66: Section 26-66 states that it is illegal to ignite, discharge or use consumer fireworks except after 11 a.m. on the following days:

- December 31 until 1 a.m. on January 1.
- The Saturday and Sunday immediately preceding Memorial Day until 11:45 p.m.
- June 29 to July 4 until 11:45 p.m. on each of those days.
- July 5, if that date is a Friday or Saturday, until 11:45 p.m.
- The Saturday and Sunday immediately preceding Labor Day until 11:45 p.m. on each of those days.

Consumer fireworks include sky rockets/bottle rockets, sky lanterns, firecrackers, roman candles and multiple rocket launchers. Consumer fireworks do NOT include "low impact fireworks" such as handheld and ground-based sparklers and fountains or "novelties" such as smoke bombs, party poppers, snakes and caps. **Igniting consumer fireworks during time periods not allowed by the city code is a civil infraction with a fine of \$1,000 for each violation.**

Party Litter Ordinance

Ord. 1260: City Council adopted a revised party litter ordinance, which includes a provision that will allow Parking & Code Enforcement (PACE) officers to issue a ticket without issuing a prior warning.

A tiered fine system allows PACE to fine \$130 for the first offense, \$180 for the second offense, \$280 for the third offense and \$480 for the fourth. Terms and conditions can be imposed upon a rental license if there are five or more citations issued within a 12-month period no matter what the violation. Additional costs may be charged if the party is declared a nuisance gathering and intervention is required.

Important Ordinances (Continued)

Warnings will still be issued for minor offenses and PACE officers retain discretion to simply issue warnings rather than tickets. The no-warning ticket will be reserved for addressing egregious offenses, as well as properties where repeated offenses occur.

Snow and Ice Removal

Ord. 1326: Snow that accumulates before noon on a sidewalk must be cleared by midnight the same day and snow that accumulates after noon on a sidewalk must be cleared by midnight of the following day. For snow showers that occur on more than one consecutive day, snow must be cleared by the above stated times or within 48 hours after the first snowfall began, whichever is sooner. Ice should be cleared or an abrasive (salt, sand, etc.) should be applied within 12 hours of formation. Keep these things in mind when going home for winter break. You are responsible for making sure the sidewalk next to your property is maintained and clear enough for everyone to use, including those in wheelchairs. Currently, the 54B District Court assesses \$90 in fines and costs. Please note, fines and costs are determined, in part, by legislative requirements. Contact the 54B District Court at (517) 351-4568 for updated information.
