FOIA NO.	Date Received	Requestor	Nature of Request	Extension Sent	Time Spent / Fees Charged	Date Completed	Disposition
2021-159	26-Jul-21	Alice Dreger	With regard to the DDA's Evergreen Ave. properties, I seek: the original total principal amount of the debt -- I believe this would have been debt acquired circa 2009; the amount of principal owed now, or if "now" is not available, the most recent principal amount available; the total amount of interest that has been paid on this debt since the debt began, including all interest paid through all the iterations of this debt if there have been refinances; the total amount of fees paid related to this debt, for example, such things as bond counsel charges and origination fees	30-Jul-21	N/A	10-Aug-21	Granted
2021-158	26-Jul-21	Alice Dreger	For the most recent 12-month period for which the information is available, the total capture for every active TIF plan in the City of East Lansing broken down by TIF plan. (I want to see how much was captured in the last 12-month window available for TIF #1, TIF #2, etc., for all active plans.) Also provide documentation sufficient to show if any of the captured funds were reimbursed by the state (e.g., school taxes). Also provide the current amount of money available in accounts for each TIF (e.g., capital accounts that may exist for specific TIF plans or grouped TIF plans). Also provide information on the amount of outstanding debt paid by all of the TIF plans (e.g., outstanding debts for TIF #1, for TIF #2, etc.). My goal is to understand how much tax is being captured and diverted via TIF and what it is being used to pay	30-Jul-21	N/A	16-Aug-21	Granted-Denied
